

CREDIT BY EXAM

STUDENTS GET 6 CHANCES DURING SUMMER TO “TEST OUT OF CLASSES”

The state’s education law, the Texas Administrative Code (TAC), will allow Cuero ISD public school students to obtain credit in a course or grade level by passing tests approved by school district trustees. Texas law, 19 TAC Chapter 74, allows students to "test out of a course" by taking a “Credit by Examination" without prior instruction in the course(s) being tested. To earn credit for a grade or a subject the student must answer 80% of the questions correctly. In accordance with local school district policy, a student in any of Grades 6-12 may be given credit for an academic subject in which he or she had some prior instruction, if the student scores 70% on the test. The tests are rigorous, targeting all the objectives for the courses covered.

The tests will be administered in Victoria through Region 3 Education Service Center on **June 25, 26, and 27, 2024** and again on **July 16, 17, and 18, 2024** from 9:00 a.m. – 4:00 p.m. on each date.

Registration applications may be picked up at the student’s campus or at the district administration building any time during the month of May. **The completed packet must be turned in to your campus counselor on or before May 28, 2024.** The applications will be reviewed for completeness and then sent to Region 3 ESC.

There are no fees or costs to take the tests. For more information call Mrs. Fleener, Asst. Superintendent for Curriculum & Instruction, at 275-1922.
